

Kestrel

VINTNERS

2010 TRIBUTE

Cherry, berry, spice and plum jam. The body is full, yet sweet and smooth. Deliciously balanced.

Vinification:

This wine was created to commemorate the life of John Walker. He created Kestrel Vintners to craft wines of both superior quality and value. This complex blend is a tribute to John Walker's in the Washington State wine industry. It is blended from the finest barrels in the cellar, and was created with beauty and elegance in mind.

Winemaker Notes:

The wine is black with dark crimson edges. In the aroma you will find ripe dark fruits such as; cherry, pomegranate, and blueberry. These fruit flavors are accompanied by dried herbs, cola, caramelized fruit, White pepper and floral aromas. On the palate you will receive bright flavors of cherry, berry, spice and plum jam. The body of the wine is full, yet sweet smooth. It's deliciously balanced with a lingering finish, and supple tannins.
