“THE DANCE”

2012

ARTIST RED BLEND

WASHINGTON STATE YAKIMA VALLEY
RED WINE ALCOHOL 13.9% BY VOLUME

This expansive and generous wine boasts full body, ripe dense fruit flavors, with sweet supple tannins and a lively finish.

Notes from the Winemaker:

The color is black becoming very deep plum at its margins. The mouth is filled with dark fruit such as: Van cherries, pomegranates, Elk Heart plums, loganberries, cola, coco, dried herbs, cigar, coffee and smoke. This expansive and generous wine boasts full body, ripe dense fruit flavors, with sweet supple tannins and a lively finish.

The fruit was hand-picked and sorted to remove any leaves that may have found their way into the bins. The tiny berries were soaked in their own juices to transfer all the goodness of the grapes to the wine. Once the precious color and flavor had been extracted, the wine was pressed into barrels. There it spent twenty-two months aging in small French, Hungarian and American oak before being bottled.

Love life to the fullest. Dance!
